Date : 26-10-2026	Progress Tracking sheet -ARAR	
Items	**Completed**	**Ongoing activities**
Foot Ball Play Ground	Backfilling & compaction of 2nd layer &Curbstone Works	Backfilling & compaction of last layer
Basket Ball Play Ground	Backfilling & compaction of last layer &Curbstone Works /pouring of slab on grade	
PadelPlay Ground	Backfilling & compaction of last layer/Pouring of fence foundation / pouring of slab on grade	
Air Dome	Pouring of foundation /Excavation of entrance foundation/ Pouring of pc of entrance foundation	Shuttering & steel fixing of entrance foundation
Bike/Walk Path	Backfilling & compaction of 2nd layer	
Parking	Backfilling & compaction of last layer / Installation for curbstone/Installation for interlock	
Toilet/Service Building	Preleminary electrical & mechanical works & Plastering works/ installation of wall ceramics / floor isolation/ installation of floor ceramics / membrane & cetotextile isolation /gypsum board installation	Painting
Septic tank	Isolation & masonary & backfilling / pouring of pc for manholes /	Shuttering & steel fixing of manholes
GRP tank	Pouring of foundation & grade beam & isolation/Installation of tank / Testing / pouring of pc for pump foundation	Shuttering & steel fixing of pump room foundation
Irrigation Network	Excavation of network /pipe laying	
Trees & Planting		
Street Lighting	Excavation /Cable laying/ Backfilling & Excavation for poles foundation	Pouring of pc for poles foundation
